RE: Yasser Helal, et al. v. Janet Napolitano, et al.
Civil Action No. CV-10-1254 (Amon, J.)

*Since plaintiff
has not objected
to this application,
the complaint is
dismissed as moot.*

Dear Judge Amon:

The defendants respectfully request that this action be dismissed as moot. Plaintiff Yasser Helal ("Helal") seeks from this Court an order which would compel United States Citizenship and Immigration Services ("CIS") to take action on his application for naturalization. See Complaint at ¶¶ 11-12 and p. 4 (prayer for relief). CIS interviewed Helal on June 15, 2010, and issued a decision denying his application on June 29, 2010. See Decision, dated June 29, 2010, annexed hereto. Accordingly, CIS has completed its processing of Helal's application, and this action challenging CIS's purported inaction should be dismissed as moot.

Respectfully submitted,
